SOKE'S SPEECH / WELCOME

I am very pleased to announce to all SKIF members that from the 13th SKIF World Championship in the Czech Republic, the **金澤弘和皿**(Yudansha Kai Hirokazu Kanazawa Plate) donated by Dr Philip Kwok (Founding Chairman of the SKIF Yudansha Kai) will be awarded to the country whose karate-ka demonstrate the Spirit of Harmony and proper Rei that form the foundations of my philosophies and teachings in life. This Yudansha Kai Hirokazu Kanazawa Plate will be a perpetual trophy awarded at every SKIF World Championships and I wish this to be long into the future.

It is my sincere hope that all countries and its members continue to train hard with the Spirit of Harmony and proper Rei.

Oss,

Hirokazu Kanazawa, Soke

I am really pleased to welcome all participants of the Word Championship SKIF, supporters of karate and our dear guests here in Hradec Králové. For the first time in the history we have been honored to host the SKIF World Championship here in the Czech Republic and our team has worked really hard right since our successful candidacy so that the SKIF World Championship would become great sport and social experience for all the participants, guests and fans. We are happy that it is Hradec Králové that is the place to meet for karate fighters from all over the world and we hope that we will all enjoy this great event to the fullest and in harmony.

Oss!

Kamil Guzek, the chairman SKIF CZ and the head of organizing club SK Karate Spartak Hradec Králové

WELCOME

The town of Hradec Králové really appreciates that it will become the world center of karate this July. Even though this sport does not originate in Central Europe, it is very interesting, that it has been able to develop to the level that is quite unique. Otherwise Hradec Králové in the small Czech Republic would not have been chosen as the organizer of the karate world championship.

It is actually very pleasurable that karate fighters from Hradec became a great part of the world karate community. I wish them a lot of success not only in organizing such an ambitious event as the world championship without any doubt is but also in their sports activity so that they can built on the hours of training hard and show the world how great sportsmen in our beautiful town we have.

Alexandr Hrabálek, Mayor, Statutory city of Hradec Králové

East Asia is rich in both material and nonmaterial traditions among which apart from famous philosophical doctrines wide range of martial arts leading to versatile and harmonious development of every individual belongs to. Major part of them has already taken root even in the Central Europe, which even this prestigious championship illustrates. I wish all the participants many joyful moments spent in the Královéhradecký region, and mainly I want them not to forget that karate as well as other martial arts without arms is not only about defeating or bouncing off an enemy, but mainly about the victory over themselves and achieving spiritual balance.

Jiří Štěpán, county representative of Královéhradecký region

WELCOME

ABOUT THE CITY HRADEC KRÁLOVÉ / HISTORY OF SKIF CZ

History of SKIF CZ

History of SKIF CZ, i.e the federation called Shotokan Karate-Do International Federation Czech Republic, dates back to the year 2004, when the first workshop with the Japanese master Hirokazu Kanazawa, holder of 10. DAN karate, took place in city of Strakonice. The meeting of then seventy-two year old legend amazed all the attendants. Another workshop followed, in the year 2006 the trip to SKIF WCH to Tokyo took place and a year later the association Shotokan Karate-Do International Federation Czech Republic was officially established.

Nowadays a lot of tournaments and workshops are held in the Czech Republic. SKIF CZ is honored to welcome in the Czech Republic hanshi Masaru Miura, kancho Nobuaki Kanazawa and and shuseki Manabu Murakami every year. The Czech Republic yearly holds the tournaments SKIF Brno Open, SKIF Prague Open, New Year's tournament SKIF, Czech National Championship and the international tournament Grand Prix Hradec Králové. In 2017 the SKIEF European Championship was held in the Czech Republic and in 2019 it is the SKIF World Championship.

HISTORY OF CLUB SK KARATE SPARTAK HRADEC KRÁLOVÉ

History of club SK Karate Spartak Hradec Králové

SK Spartak Hradec Králové was established by separating from VŠ UK Hradec Králové in the year 1982. It was a part of Spartak complex, as an independent club it was found in 1991. The number of members rose quickly, in 2000 there were up to 618 members of SK Karate Spartak HK. After moving from school gyms to a smaller independent training building the number of members settled on 250. Since 2009 the club has extensively started to cooperate with SKIF CZ and it participates in organizing workshops with Japanese masters and big tournaments including National SKIF Championship, GPHK, European and World SKIF Championships

Competitors of Spartak Hradec Králové won for example the silver medal at MS SKIF 2009, gold medal at ME SKIEF 2014 and overall four medals, two of them gold, at ME SKIEF 2017. But the club focuses not only on the activity of competing or organizing workshops but mainly on versatile physical, mental and moral development of its all members. The club has recently been focusing on the training of the elderly over 60 years old apart from adult, youth, child and pre-school categories.
